### ***Discussion***

NorthWest Weather.net services will switch on May 1 from a twice-daily text forecast to an alert service. We strongly encourage contact with the duty forecaster at 800-937-8676 x0 on through the summer months for any weather-related decisions.

Gusty winds this afternoon and tonight.

Rain showers and blustery winds continue this afternoon and tonight. Showers continue Tuesday and Tuesday night, however, winds will be subsiding during this time frame.
